Park Rules

The Orchard

Residential Park rules that form part of the Agreement by which homeowners occupy the pitch in accordance with the Mobile Home Act 1983, as amended.

RESIDENTIAL PARK RULES FOR THE ORCHARD, BOURNE LANE, WOODLANDS, SOUTHAMPTON. SO40 7GW.

Preface

In these rules:

- “occupier” means anyone who occupies a park home, whether under an Agreement to which the Mobile Homes Act 1983 applies or under a tenancy or any other agreement.
- “you” and “your” refers to the homeowner or other occupier of a park home.
- “we” and “ours” refers to the park owner.

These rules are in place to ensure acceptable standards are maintained on the park, which will be of general benefit to occupiers, and to promote and maintain community cohesion. They form part of the Agreement by which homeowners occupy the pitch in accordance with the Mobile Homes Act 1983, as amended.

With one exception the rules also apply to any occupiers of park homes who rent their home.

The one rule which does not apply to occupiers who rent their home is rule 29 about the colour of the exterior of the home, as someone renting their home would not be responsible for the exterior maintenance.

None of these rules is to have retrospective effect. Accordingly:

- they are to apply from the date on which they take effect, which is 1st January 2015; and
- no occupier who is in occupation on that date will be treated as being in breach due to circumstances which were in existence on that date and which would not have been a breach of the rules in existence before that date.

These rules also apply (for so long as they live on the park) to the park owner and any employees, with the exception of the following rules (12 and 14).

Condition of the Pitch

1. For reasons of ventilation and safety you must keep the underneath of your home clear and not use it as a storage space.
2. Fences or other means of enclosure must not be erected unless they are less than 900mm in height (fire safety) and you have obtained our approval in writing (which will not be unreasonably withheld or delayed). You must position fences and any other means of enclosure so as to comply with the park’s site licence conditions and fire safety requirements.
3. External fires, including incinerators are prohibited although small barbeques are allowed.
4. You must not keep inflammable substances on the park except in quantities reasonable for domestic use.
5. You must not keep explosive substances on the park.

Storage

6. Not more than one storage shed is allowed on the pitch. Where you source the shed yourself the design, standard and size of the shed must be approved by us in writing (approval will not be withheld

or delayed unreasonably). You must position the shed so as to comply with the park's site licence and fire safety requirements.

7. You must not have any storage receptacle on the pitch other than the shed mentioned in rule 6 and any receptacle for the storage of domestic waste pending collection by the local authority.
8. You must ensure that any shed or other structure erected in the separation space between park homes is of non-combustible construction and positioned so as to comply with the park's site licence conditions and fire safety requirements. The separation space is the space between your park home and any neighbouring home.
